Dear Amateur Radio Operator:

It's hard to believe that my first three-year term as ARRL Director is almost up. I want to thank you for your support and confidence. I have greatly enjoyed my tenure as Director and again ask for your vote to continue my ARRL service.

Serving as Director of the ARRL's largest Division has been an invaluable experience and responsibility for me. My travels around the Division, and work on several ARRL committees, has been a great opportunity to help advance amateur radio. I enjoyed meeting many fine amateurs all across the Division and learning about your activities, ideas and concerns, which has helped to shape my member-driven thinking. I attend many hamfests and club meetings and have represented amateur radio at the National Hurricane and International Association of Emergency Managers Conferences. I have served on the ARRL Ethics and Elections Committee and served as liaison to the VHF/UHF Advisory Committee. I am currently a member of the Programs and Services Committee, chairman of the Narrowband Committee and liaison to the Emergency Communications Advisory Committee.

My service as ARRL Alabama Section Manager for 4 years was fulfilling and my work as ARRL Southeastern Division Director has been even more rewarding. This combined service has given me the opportunity to build expertise in many areas; establishing relationships and gaining valuable experience working with ARRL headquarters, other ARRL Directors, DXing, VHF/UHF, disaster relief, public service, education, contesting, hamfests, clubs, operating events, youth membership and digital operations. I am a second-generation ham and have been active in many areas of amateur radio for over 25 years and pride myself on being an avid emergency communications leader, new technology promoter, competitive contest participant and I encourage a new generation of hams to join our hobby by establishing youth programs and working to ensure their success.

During my second term as ARRL Southeastern Division Director, I plan to continue to represent the entire Southeastern Division through my proven performance, integrity, leadership and experience and to promote all facets of our great hobby!

You ARE amateur radio. Your voice counts. Your vote counts.

I am asking for your personal endorsement, support and votes from your clubs and groups.

Please call your friends in Alabama, Georgia, Florida, Puerto Rico,
and the U.S. Virgin Islands and ask them to

Re-Elect Greg Sarratt, W4OZK, as ARRL Southeastern Division Director in October!

Together we can make a positive impact for amateur radio! I would appreciate your vote and support in re-electing me to this position. For more information regarding my candidacy for Southeastern Division Director visit my website, www.w4ozk.com.

Thank you & 73,
Greg Sarratt, W4OZK
