(FCC Call Letters)

Date Amateur License Expires

Certified Firefighters

(Name of Fire Department)

United States Disabled Athletes Fund

Shrine Hospitals for Children

Any Georgia resident motor vehicle owner desiring a Special Interest License Plate may submit a completed application form with a \$25.00 manufacturing fee, when applicable. When you make application at your local tag office, you are required to pay a \$25.00 renewal fee, \$20.00 tag fee and the manufacturing fee of \$25.00.

Special Interest License Plates

Free Amateur Radio License Plate:

1. There is no manufacturing fee for a Amateur Radio License Plate.
2. A copy of the unexpired, unrevoked FCC License is required.
3. Application must be signed by owner as shown on the FCC License. Please clearly print your Call Letters in the spaces provided.

Certified Firefighter:

1. \$25.00 manufacturing fee- upon receipt of 500 applications the tag will be manufactured.
2. A current letter of eligibility signed by the firefighter's Department Chief, on the department letterhead is required. **ONLY ONE TAG WILL BE ISSUED.**

United States Disabled Athletes Fund: Special license plates to continue the spirit and legacy of the 1996 Paralympic Games depicting the image of "Blaze" for support of activities that benefit athletes with disabilities will be manufactured. Each \$25.00 manufacturing fee will be paid to the United States Disabled Athletes Fund upon receipt of 1000 applications.

Shrine Hospitals for Children: Upon receipt of 500 applications, a special license plate to honor and support the Shrine Hospital for Children will be manufactured.

Important: If the minimum number of applications is not received by July 31st of the preceding year, License Plates will not be manufactured.
